

INSTRUCTION FOR iMCQ

PLEASE NOTE DUE TO THE PRESENT EMERGENCY REGARDING SPREADING OF NOVEL CORONA VIRUS ALL CLASSROOM PRACTICE SESSIONS ARE CANCELLED AND THE iMCQ will be held ONLINE as safety for students is priority for us and we are trying to maintain “social distance”.

PROCEDURE FOR iMCQ (ONLINE)

Step 1: Go to Notice Board

Step 2: Download the iMCQ Answer Sheet Format

Step 3: Print the Format or Draw the format in the Copy

Step 4: Login to your account through PIN

Step 5: Go to **Dashboard** → Click **iMCQ** → Click **Give Test**

After clicking the **iMCQ** in Dashboard a general instruction screen will appear for 30 seconds. Please read and wait for the next screen to follow. **NO OTP REQUIRED.**

Step 6: Select the iMCQ Set and Questions will start in the display. Each question has been assigned a definite time automatically followed by the next question.

PLEASE NOTE THERE WILL BE NO ANSWER OPTION GIVEN ON THE SCREEN, YOU HAVE TO WRITE THE OPTIONS (a / b / c / d) IN THE ANSWER SHEET.

Step 7: Once you have finished answering 45 questions in each SET answer will be displayed in the screen just after. You may click NEXT to see the next answer or BACK to see the previous answer.

Step 8: Correct the answers in the answer sheet and calculate the marks. (Calculation format is mentioned in the answer sheet)

If anyone loses net connectivity wait for page reload or you may start the test from the beginning.

NO RESULT WILL BE PUBLISHED ONLINE for these iMCQ session as the aim of this is to increase the efficiency and concentration in respect to TIME. Students must keep a record of their performance in the answersheet.

Good Luck! Stay Safe! Stay at Home.
